In the summer the Library room received a new coat of paint and paper which it very much needed. We hope the coming summer to add a few shelves for magazine storage.

The total circulation for 1942 was 6,754 which was a drop of 1,082 from the year before owing to so many of our regular readers leaving town for defense work as well as the Army.

The Librarians are hoping that the Methodist Reading List, Congregational Reading List, and Farm Bureau List that are now being put into circulation will help to make our citizens more library conscious. Let us know your reading wants and we will try and supply you with the books.

The American Library Association is again sponsoring a book drive for the Soldiers and Sailors. This year they are much more particular in their choice of books. No books published earlier than 1930 are

wanted. If you are interested in giving books to this drive get in touch with your librarian.

We wish to thank Mrs. Ruby Emery, Mrs. Hazel Smith, Mr. J. R. Treganza, the Hill children, and Mr. Robert S. Ward for books given to the library. Mr. Ward has given fourteen books that have been much enjoyed by the mystery reading patrons.

The Magazine list is the same this year as last year with the exception of The Yankee Magazine, the publication of which has been discontinued for the duration.

The Bookmobile still visits us occasionally; their last visit was in November and we are looking for them again in March.

Four hundred and sixty-five books have been added to the library the past year, thirty-two of these being given by the people named in the item above.

JANE E. PRATT,
Librarian.

Report of the Superintendent of Schools

To the School Board and Citizens of the Monroe School District:

I herewith offer my first annual report as Superintendent of Schools.

1941-1942

Cassady, Pauline	Little, Natalie
Chase, Everett	Locke, Cora
Emery, Kenneth	Moore, George
Gadapee, Harriett	Morey, Elmira
Hatley, Mary Jean	Powers, Wendell
Hatley, Richard	Richardson, Roderic
Hill, Betty	Ward, Mary

Promoted, June 1942, from eighth grade to high school:

Amidon, Marguerite	Hunt, Melvin

Bedor, Leslie	Lang, Evelyn
Cassady, Ella	Moore, George
Chase, Velma	Oakes, Charlotte

Hill, Betty

The annual medical inspection of 89 pupils showed the following defects:

Underweight	21
Vision	5
Teeth	48
Tonsils	8

The school nurse also reported in connection with this work 47 school visits and 59 home visits.

1942-1943

Enrollment	72
Attending McIndoes Academy	27
Transported	69

TEACHERS

Mabel I. Connolly, principal, Grades 7-8.

Orlando S. Ward, Grades 5-6.

Margaret R. Cyr, Grades 3-4.

Harriet F. Wilton, Grades 1-2.

Marion A. Donahue, special helping teacher.

Priscilla A. Bedell, piano and vocal music.

Mrs. Amelia Vincent, band instruments

Lottie M. B. Underhill, school nurse.

Dr. Burns, examining physician.

Forrest Emery, truant officer.

Lewis Wright, janitor.

There was only one change in the teaching staff this year. Mrs. Amelia Vincent took the place of George McLure, who entered the armed service. Mrs. Vincent filled this position until the Christmas holidays when she was released to accept another position in Massachusetts. Since that time it has been impossible to fill the position of band instructor.

Early in the fall the rocks in the playground were removed to make a better playing surface. Just before the Christmas holidays, plans were made to have a skating rink in the back of the school. The ground was prepared for this, but the rink has not been flooded because of insufficient water pressure on the school water system.

A new cupboard for the storage of food supplies has been built in the basement. I would suggest that some time in the future, additional facilities be purchased for the teaching of science in the seventh and eighth grades. A new bench has been installed in the manual training room. The new vises with which this new bench will be equipped will make it possible for each child to have the use of a vise at all times.

The Rock Wool Insulation, which was installed last year, has resulted in an appreciable saving of fuel.

The school made an excellent showing in the collection of scrap last fall. War Stamps are being sold in each of the rooms of the school. These are only two of the many war-time activities that both the teachers and the pupils have been requested to perform. Their cooperation in the many new responsibilities brought about by the war emergencies is greatly appreciated.

Respectfully submitted,
RICHARD A. MARTIN.
